

Shelly BMW Is Your Official Lease Return Center For OC And LA.

As one of the top BMW dealerships in the country, Shelly BMW will be able to assist you in your lease return whether you are at your lease end date or just wish to return the lease for an upgrade.

Shelly BMW will help you avoid unexpected and expensive charges due to excessive mileage, early lease termination or excessive wear and tear. Shelly BMW will waive up to \$500 of damages if you buy a new BMW from us.

We will review all lease-end options with you that may range from purchasing your existing BMW lease to leasing a new BMW.

We can even help you lower your payments! New offers and lower financing rates may lower your payment.

For the most effective lease-end consultation, we suggest that you contact us 90 days before your BMW lease end date.

We understand that you may have many questions and concerns regarding your BMW lease. Talk to our knowledgeable and friendly lease-end specialists today.

Please contact our top lease end specialist Rick Ahumada.
